

S
Y N
T H O
M I
R

The image shows a word search puzzle. The letters are arranged in a diamond shape. The top letter is 'S'. The second row contains 'Y' on the left and 'N' on the right. The third row contains 'T' on the left, 'H' in the center, and 'O' on the right. The fourth row contains 'M' on the left and 'I' on the right. The bottom letter is 'R'. Four lightning bolts connect the letters: one between 'Y' and 'N', one between 'T' and 'H', one between 'H' and 'O', and one between 'M' and 'I'.
